

Mobile Food Vendors Policy

The Central Insurance Companies are comprised of Central Mutual Insurance Company and All America Insurance Company.

Central's Mobile Food Vendors Policy is specially designed to provide the auto, property, and liability protection needed by most mobile food vendors.

Coverage for your Commercial Vehicles

Central offers coverage for your food trucks and trailers used in your business including vehicle wraps and attached awnings. In addition to the standard liability and physical damage coverages, the following coverages are available for an additional premium:

- The Business Auto Plus (BAP Plus) Endorsement provides a number of auto liability and physical damage enhancements in one convenient package.
- Business Income – options of 45, 90 or 180 days Actual Loss Sustained.

Property Protection

Property coverage provides protection for covered losses to buildings, furniture, fixtures, and equipment. For a mobile food vendor, there are additional property exposures associated with the equipment and property in the truck or trailer that also need to be covered. Our **Mobile Food Service Property** form was specifically designed to cover the insured's property that is located in, or within 20 feet of, a scheduled auto on a blanket basis. This includes any built-in equipment used for cooking, storing or refrigeration. Property of others in your care, custody or control is also included.

The Mobile Food Service Property form also includes a broad range of property related coverages in addition to the blanket property limit:

- Business Income – Actual Loss Sustained including utility failure
- Fire Protective Devices – \$1,000 per occurrence for recharging and refilling fire protective equipment
- Food Contamination – \$10,000 annual aggregate
- Pollutant Clean-up and Removal – \$10,000 annual aggregate
- Temperature-Humidity Change – \$1,000 per occurrence
- Theft of Money and Securities – \$5,000 annual aggregate

A Single Deductible Endorsement is attached so that only one deductible will be applied to losses involving both property covered under the Mobile Food Service Property form and an auto covered under a separate Business Auto policy.

For an additional charge, **Equipment Breakdown/Tech Advantage** coverage is available to cover the equipment in and on the vehicle for losses such as mechanical breakdown.
